

## Trident Sub PAK

The Trident is a perfect blend of more output and better sound. Artfully sleek and small enough to be heard but not seen, this sub uses a specially-designed and highly efficient 10" aluminum cone woofer. Coming in at just 4.33" deep, the small form factor allows it to be placed behind or underneath furniture, and the sealed cabinet produces tight, musical bass. It's attractive yet unassuming design blends virtually anywhere in the home, and the two rich color options - piano gloss black or white - eliminates the need to customize. All of these factors combined with our new 500-watt DSP AMP makes Trident one of the most versatile subwoofers on the market today.

The Trident subwoofer comes in two different PAKS:

T-10BK/WT-2PAK comes with two subwoofers and a 500-watt DSP AMP

T-10BK/WT-PAK comes with one subwoofer and a 500-watt DSP AMP

## TRIDENT SUB PAKS

### T-10WT/BK-PAK

**Includes:** (1) Trident Sub (Black or White)  
(1) TRU-S500DSP Amplifier

**Room Size:** 450-550 sq. ft.

**Family:**  UNIVERSAL

### T-10WT/BK-2PAK

**Includes:** (2) Trident Sub (Black or White)  
(1) TRU-S500DSP Amplifier

**Room Size:** 600-700 sq. ft.

**Family:**  UNIVERSAL

## SPECS

### T-10-SUB-W

**Speaker Type:** Subwoofer, Sealed

**Woofers:** 10", Aluminum Cone

**Power:** 250W RMS

**Impedance:** 8Ω

**Freq Range:** 25-250 Hz (+/-3dB)

**Sensitivity:** 87 dB

**Grill Type:** Cloth Wrapped, Magnetic

**Cabinet:** Sealed, MDF, Piano Gloss Finish

**Colors Available:** Black, White

**Finish Dimensions:** 15.43" (392mm) H  
15.75" (400mm) W  
6.89" (175mm) D

**Cabinet Dimensions:** 14.57" (370mm) H  
15.75" (400mm) W  
4.33" (110mm) D

**Family:**  UNIVERSAL

### TRU-S500DSP

**Power Output:** 500 Watts (RMS @ 4Ω)

**Total Harmonic Distortion (THD):** <1%

**Equalizer:** Adjustable Built-in 10-Band (-6dB to +6dB)

**Adjustable Low Pass Crossover:** 40Hz to 160Hz / 1 Hz Increments

**Adjustable Slope:** 6dB-40dB

**Line Level Input Sensitivity:** 190 mV

**Phase Control:** 0 to 315° / 45° Increments

**Auto Turn-on Sensitivity:** 3 mV @ 50 Hz

**Extrenal Trigger:** 12V

**Thermal Protection Circuit:** Yes

**Night Mode:** Yes

**Remote Control:** Yes

**Single Ended and Balance Input:** Yes

**Dimensions (with rack mounts):** 19" W (483mm), 1.75" H (45mm), 10.38" D (264mm)

**Weight:** 16 lbs. (7.26kg)

**Fuse:** 8 Amp (120V), 4 Amp (240V)

**Family:**  UNIVERSAL
