

2021
LUXURY OUTDOOR SOUND

WHY TRUAUDIO?

For over 20 years, TruAudio has been creating professional grade audio systems. Add immersive sound to elevate your outdoor living experience.

LANDSCAPE SERIES

SCALABLE SYSTEMS TO FIT ANY SPACE, LARGE OR SMALL

AcoustiScape speakers paired with a SubTerrain or Hardscape subwoofer bring a new dimension to outdoor audio. These systems are scalable, from one to many speakers and subwoofers, to fit any size space. The landscape series can provide an emotion invoking experience for both background music or when it's time to party.

AUDIO SOURCE

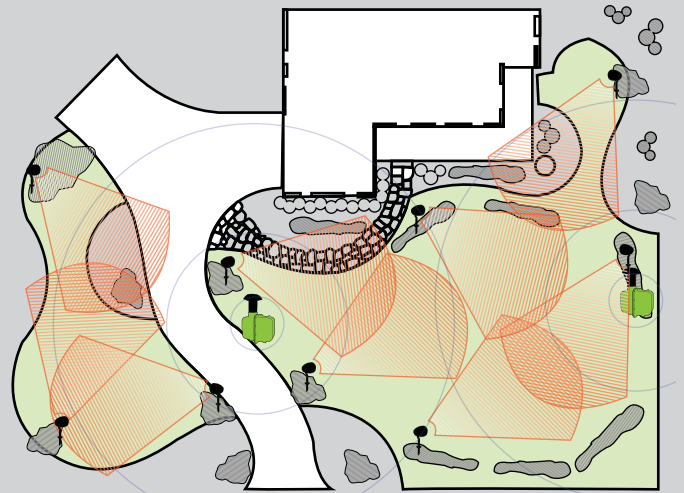

YOUR MUSIC, YOUR WAY

Listening to your music has never been easier. Choose either a bluetooth or wifi (i.e. VSSL) based source, plug it into the amplifier, and stream audio directly from your devices.

SYSTEM DESIGN

FREE PROJECT DESIGN SERVICES FOR ANY OUTDOOR SYSTEM

From concept design to the installation phase, TruAudio provides free design and support services through out the entire process.
